

Utils::print_results

```
graph LR; A[Utils::print_results] --> B[Utils::pretty_print_xva_name]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text 'Utils::print_results'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'Utils::pretty_print_xva_name'.

Utils::pretty_print
_xva_name
